

Happy

La naturaleza ha sido y será una importante fuente de inspiración, recogiendo y adaptando las formas naturales para hacerlas participes de nuestra vida diaria. Este concepto lo capta Ordoñez en su serie Happy, donde las formas nos transmiten el sosiego y la eterna satisfacción.

Nature is and always will be a source of inspiration that make natural shapes being part of our life. Ordoñez captures this concpet in its series Happy, giving a feeling of peace to these shapes.
