Óvalo Técnico / Technical

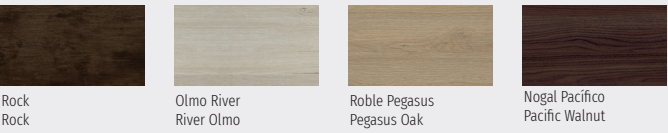

La colección Ovalo se caracteriza por una peculiar forma interna que le otorga al espacio de baño un look innovador con dos cajones con auto-cierre. Se puede seleccionar con lavabo de sobre-encimera o integrados en el casco con unos modulares de colgar que destacan por su elegancia y funcionalidad con puertas amortiguadas.

The Ovalo range stands out thanks to its distinctive internal shape with two auto-closing silent drawers that give a innovative look to the bathroom space. You can choose 2 alternatives: with vessel basins or integrated basin in the carcass with storage cupboards that shine out for its elegance and funcnionality with soft closed doors.
